My name is Adrian Scarborough. I love to help people! I have lived in Americus since I was 2 years old. I attended the city schools and graduated from Americus High School in 1992. I began working at Wendy's when I turned 16. During my senior year I began working part time at J & M Trucking Company. After graduation, I continued working there full time. In August 1996 I married Richard Scarborough and after 23 years we are still together. After 6 years of marriage, we became parents to our only son, Garrett. I was able to be a stay at home mom when J & M decided to move the office to Birmingham, Alabama. When Garrett turned 3, we decided to enroll him in the preschool at First United Methodist Church. A few months later, I started working there. For 7 years, I worked in the infant room. I loved working with the babies but it was time to start a new chapter in my life. That's when I began my journey with the Sumter County Magistrate Court. I was hired as a full time deputy clerk. A year and a half later, I was sworn in as a Magistrate. Within the first year as a Magistrate, I spent a week in Athens for civil classes and a few months later another week for the criminal

classes. Here I met other Magistrates from around the state and made new friends as well. I have since then attended a yearly recertification class. The laws and regulations change all the time and we have to adapt to the change. One thing that should never change is being kind, compassionate and helpful. As I stated above, I love helping people. I try to get along with everyone. I treat people the way I want to be treated; with respect. I have over 7 years of experience with 5 years of experience as a Magistrate. I love my job and am dedicated to my job. That is why I think it is time to continue my journey and run for Chief Magistrate. I will continue to work with the staff and the community to help in any way possible. I hope you will vote for me as Chief Magistrate in the upcoming election. Please know that you can come to me at any time with any question or concern. I will do my best to help you or at least point you in the right direction. Your vote will be greatly appreciated.
